

# Nicola Lakeshore Water Utility Co. Ltd.

---

October 27, 2009

Attention: All Lot Owners

As a step to ensure water quality and no cross contamination, a representative from Nicola Lakeshore Water Utility Co. Ltd. will be inspecting your water meter, transponder and all connecting wiring on Friday, November 27, 2009 between 9am and 5pm. Please make arrangements so the representatives can access your water meter and the transponder between these times.

The representative will inspect the meter and transponder and upon completion will place a security tag on the water meter to prevent tampering. It is important that this tag remain on the water meter at all times.

Thank-you,

A handwritten signature in black ink, appearing to read 'Frank Rizzardo', written in a cursive style.

Frank Rizzardo  
President
